Office of Research and Scholarship Annual Research Exhibition:  
Poster Instructions

The Office of Research and Scholarship welcomes a range of research and scholarship advancing the knowledge base of social work and related disciplines is welcomed. Studies may include: quantitative research, qualitative research, ethnographic studies, community-based participatory work, as well as conceptual and theoretical work.

Poster display boards measuring 4’ X 6’ and will be arranged around the periphery of the Zachs Community Room. Each exhibitor will be assigned one side of one board for their poster display.

Display materials may include full posters, printed PowerPoint slides, book covers, pictures or other materials that may be affixed to the display board with push pins (to be provided) or double-sided tape. Please plan to staff your display during the opening reception and provide any handouts you desire.

In order to participate and have your project listed in the Exhibition program, please submit your name, names and affiliations of any co-authors, and the title of your presentation via email to me (michael.fendrich@uconn.edu) no later than Friday, January 23rd. Please put “ORS POSTER PRESENTATION” in the subject heading of your email.

Note: Participants can also display posters which were presented at other conferences during the past 2 years, as long as they did not use them in any previous ORS Exhibition.

Specific details about funding and logistics for the printing of posters will also be made available shortly. If you have questions about the suitability of your idea for a poster you may contact michael.fendrich@uconn.edu. You may also contact Janelle Bryan at janelle.bryan@uconn.edu for technical assistance with poster preparation.
