The Addictions Treatment Center of the VA Puget Sound Health Care System

announces openings for the

Interdisciplinary Fellowship in Substance Abuse Treatment
1-year full-time advanced training in substance abuse treatment

The goal of the Interdisciplinary Fellowship is to provide clinical and didactic experiences through which recent professional graduates from several clinical disciplines become more skilled in working therapeutically with substance abusers and become more familiar with the unique contributions that their professional disciplines provide.

We expect to have positions for two Social Workers for the 2015-2016 year. All fellows must be U.S. citizens. The fellowship begins Sept. 21, 2015.

* Social Workers must have completed a Master’s Degree from a School of Social Work accredited by the Council on Social Work education.

Applications are due April 1st, 2015.

We expect to select fellows within one month of the mailing deadline.

The Fellowship is Directed by John S. Baer, Ph.D.
