DEPARTMENT OF VETERANS AFFAIRS
INTERPROFESSIONAL FELLOWSHIP PROGRAM IN PSYCHOSOCIAL REHABILITATION AND RECOVERY ORIENTED SERVICES

The U.S. Department of Veterans Affairs (VA) announces openings for the 2015 – 2016 academic year of its Interprofessional Fellowship Program in Psychosocial Rehabilitation and Recovery Oriented Services for Veterans with serious mental illness. The Fellowship Program is a state-of-the-art clinical training program that focuses on the theory and practice of psychosocial rehabilitation and recovery. Individualized, mentored clinical training is combined with a curriculum that emphasizes a comprehensive psychosocial rehabilitation approach to service delivery, education, and implementing change in a mental health care setting. Fellows will work with Veterans with serious mental illnesses and receive training in delivering a range of evidence-based services. The purpose of the Interprofessional Fellowship Program is to develop future mental health leaders with vision, knowledge, and commitment to transform mental health care systems in the 21st century by emphasizing functional capability, rehabilitation, and recovery. The Fellowship Program is offered at six VA sites (see below). Applications are being solicited across a range of disciplines (including social work, nursing, occupational therapy, psychology, clinical pastoral education, and vocational rehabilitation). Application and position details vary across disciplines. Social work fellows must be U.S. citizens and must be graduates of accredited masters or doctoral programs in social work. The Fellowship program is full time for social work fellows. Stipends are competitive and are based on location and discipline. Full time fellows are eligible for health and life insurance benefits. All fellows earn annual and sick leave and are entitled to Federal holidays.

Applications will be accepted and reviewed at each site until all positions are filled. Application requirements and specifications may differ across sites, so please contact the Fellowship Director at each site of interest.

**Bedford, MA**
