STEP ONE: Select a Date & Time
- Check the School of Social Work Events Calendar to verify there are no other meetings or events during your prospective date/time
- Please keep in mind that during your planning process events may be added to the calendar. Therefore, planning early will help contribute to the success of your program.

STEP TWO: Find an Event Location
- Use the link below to request space for your event:
  - http://events.hartford.uconn.edu/ (select Space Request Form)
    - If you would like a specific room, request it in the comments
  - If you do not receive an email within 3-4 business days, contact event services to check on the status
    - Event Services Email: hartford.eventservices@uconn.edu
- Please note there are limited rooms within UConn that allow food. Remember to indicate food is being served. If your event is cancelled, notify event services in advance, at least two days, otherwise you are subject to a custodial charge for the planned cleanup of food.
  - EXCEPTION TO PROCESS ABOVE: If a leader wishes to reserve the lower level SSW Community room, G11, they should email Marvy at marvy@uconn.edu or Tessa at Tessa.Cugno@uconn.edu. Space should be requested at least two weeks in advance.
    - If serving food, you will need to cover the fee for the cleanup charge, which will be given by the Dean’s Office.

STEP THREE: Complete a Voucher Check (Expenditure) Request Form
- If you need to purchase anything for your event (food, supplies, etc.), you can submit a voucher check request form (examples and forms available online)
- One form must be submitted for each vendor being used for an event – this includes personal reimbursements, which are not encouraged
- Voucher check request forms must be approved by the GSO Steering Committee before the event.
  - Forms must be submitted at least two weeks before the Steering Committee Meeting before the event – no exceptions can be made so plan ahead!
- If you are uncertain of the cost when submitting the form, request more money (reasonable amount) than you think you will need since you will only be reimbursed or paid the exact amount of cost

STEP FOUR: Advertise!
- See Advertisement Protocol on following page

STEP FIVE: Host the Event
- Remember to have a sign in sheet which includes name, date, and location of event along with students’ names and NetIDs or UConn email addresses
