

TO: **Applicants for Employed Social Work Program (1st & 2nd Year)**

FROM: Cheryl Jackson-Morris, Director of Field Education
Marilyn Cardone, Assistant Director of Field Education
John Bonelli, Field Coordinator of Field Education

RE: Employed Social Work Program Packet (ESW)

Deadline: May 17, 2017

To be completed by the student requesting to use his/her place of employment as a placement site.

This program must follow the general field education requirements as described throughout the Field Education Manual. A special written agreement (attached) describing the arrangements must be developed between the School, student and agency. **Approval is contingent upon the soundness of the education plan.**

Approved placement sites must meet the following minimum criteria:

1. You must have been employed by the agency for at least 6 months
2. Your agency must employ MSW level social workers who can serve as field instructor
3. Your employer must identify an MSW level social worker (who is not your direct job supervisor) who will provide 1 ½ hours weekly individual supervision
4. You must be able to do your field placement in a different unit or division distinct from your regular job
5. Agency permits student to use a portion of their paid employment hours per week for their field education assignments.
6. The placement must afford learning opportunities that meet the educational objectives specified in the student's concentration.
7. The agency must value the student's educational experience by making programmatic accommodations to meet the student's learning needs as necessary.

There are instances in which an agency permits or encourages an employee/student to add an additional unpaid 15 or 20 hours to their regular job. This does not qualify as an employed placement. Students are advised against accepting any 55-60 hour per week work/placement commitment in addition to their classroom courses. Such a workload is extremely stressful at best, and for many students impossible to complete successfully. The School encourages agencies to participate in the ESW Program in order to help students meet their educational and financial needs.

Please Print:

Student Name: _____

Agency Name: _____

Agency Address: _____

Agency Telephone: _____

I. Current Employment

a. Current Work Supervisor:

Name _____ Title _____

Telephone # _____ Email _____

You may attach a separate piece of paper if needed in any of the following questions.
