

UConn

SCHOOL OF SOCIAL WORK GRADUATE STUDENT ORGANIZATION

Interest Group Application

Interest Groups should be developed to bring awareness to important societal issues that impact the social work profession and the individuals we work with. Interest Groups can operate for a semester long rather than a committing to a long-term leadership role within GSO. However, if there is continued interest, students can extend their leadership role beyond the semester as long as they remain a SSW matriculated student. For specific guidelines and responsibilities of creating an Interest Group please read the Graduate Student Organization By-laws at the School of Social Work website, <https://ssw.uconn.edu/>, under Students, Graduate Student Organization.

Thank you for your willingness to form an Interest Group. Please complete this brief application and submit it to the SSW GSO Co-Chairs at sswgso-co-chairs@uconn.edu at least two weeks prior to the next Steering Committee meeting.

Deadline for fall semester applications: October 1st

Deadline for spring semester applications: February 1st
