

Madri Hall-Faul, MSSW
(502) 322 7673 | maria.hall-faul@uconn.edu

Education

PhD Student	University of Connecticut , School of Social Work	2018 - Present
MSSW	University of Louisville , Kent School of Social Work Marriage & Family Therapy Specialization	2014
BS	Centre College Psychology Minor: Religion	2011

Research Interests

Poverty and inequality, specifically related to social welfare policy formulation and implementation; impact of devolution on equitable access; role of race, class, and gender in shaping and implementation of policy and related decision-making; policy advocacy and utilization of human rights-based approaches.

Research Experience

Graduate Research Assistant: Risk, Vulnerability and the Limits of Choice: Home Care Workers' Views on COVID-19. University of Connecticut, 2020 – Present.

Principal Investigator: Kathryn Libal, PhD

- Assist in drafting and submission of IRB application and related materials
- Compile relevant literature and monitor changing landscape of COVID-19 related research and scholarship
- Assist with outreach to potential interviewees after IRB approval

Graduate Research Assistant: Mobilizing for Food Justice in a “Land of Plenty”: Social Workers and allied Practitioners’ Advocacy and Outreach Efforts. University of Connecticut, 2019 – Present

Principal Investigator: Kathryn Libal, PhD

- Conduct qualitative interviews and attend national conferences with food justice advocates across the United States
- Transcribe, code, and analyze data using NVivo software
- Analyze and monitor federal executive rulemaking related to food policy
- Disseminate findings through conference presentations and manuscripts

Graduate Research Assistant: Older Adults Aging Alone. University of Connecticut, 2018-2019

Principal Investigator: Rupal Parekh, PhD

- Assist in the writing and literature search for three different manuscripts, including one systematic review.

Project Manager: Health Resources and Services Administration (HRSA) and American Planning Association funded grants. KIPDA Area Agency on Aging and Independent Living, Louisville, KY. January 2016 – August 2018

- Manage implementation of two funded projects related to health systems transformation and policy and environment change to improve health outcomes.
- Gather outcomes data, report to federal entities, write grant reports, facilitate large recurring trainings for students and professionals, assist in implementation of inter-professional curriculum, present at regional and national conferences.

Research Assistant: University of Louisville, Louisville, KY. April 2014 – October, 2014.

- Conducted literature reviews related to disaster mitigation, preventative health care within Latino communities, and evidence based self-management interventions for older adults with diabetes.
- Implemented phone application for self-management of Hepatitis C with research team.
- Data entry and analysis using descriptive and inferential statistics in SPSS.

International Research Group Participant: Universidad do Minho, Braga, Portugal. May 2013 – June 2013.

- Participated in a doctoral and master's level research group focusing on health psychology as part of a self-designed independent study.
- Conducted a thorough literature review and analyzed and discussed data for research papers, using mainly ANOVA, MANOVA and multiple regression analysis.
